

## DIAPER COVER COMPARISON

### Super Whisper Wrap

- Excellent all around easy to use, easy to wash cover.
- Parents love this cover because the laminate layer is hidden inside the layers of polyester and is not in contact with baby's skin.
- This fabric is so sturdy it can be washed industrially!
- Available in white and fun, colourful prints.
- Will fit with just about any type of cloth diaper – flat or fitted.
- Easy care – hot wash and dryer are fine

### Super Brite

- A gusseted cover that makes it easy to contain messes with any type of cloth diaper – flat or fitted.
- Works well on hard-to-fit or long and skinny babies.
- Features a special newborn size with an umbilical cord cut-out that fits teeny tiny babies.
- Single layer of polyester with lamination means that you can simply wipe clean and re-use.
- Crazy bright colours and a funky retro print.
- Easy care - machine wash and dry at high temperatures.

### Whisper Pant

- Pull-on design – fabulous with fitted diapers!
- Lightweight nylon – no tearing or cracking like old fashioned plastic pants.
- Stretchy, soft lycra bindings
- Needs special attention in laundering – wash in lukewarm water, air dry only.

### Bummi Original

- A favourite with diaper service customers - the fit is legendary. In some circles this diaper cover has cult status.
- Slim, trim, lightweight nylon with a mesh interior to create airflow and reduce slippage of diaper within cover.
- Soft and stretchy lycra leg bindings.
- Available in white.
- 4 sizes for an excellent and very specific fit **with a flat diaper only.**
- Needs special attention in laundering – wash in lukewarm water, air dry only.

### Swimmi

- Our very chic swim pant.
- Save the pool! Soft lycra bindings keep the mess in
- a great trim fit, super lightweight.
- comes in 4 fun and colourful prints.
